

TELMAR NETWORK TECHNOLOGY POLYCOM VOICE SOLUTIONS

Telmar Network Technology has been named a Channel Partner and certified reseller of Polycom's interoperable Unified Communications (UC) solutions including Wireless Mobility Solutions and Voice over Internet Protocol (VoIP) products.

As a Polycom reseller, Telmar offers award-winning VoIP platforms including SoundPoint IP Desktop phones and SoundStation IP Conference phones. Telmar also offers Polycom's Wireless Mobility Solutions including its Spectralink Series Wireless phones, and Kirk handsets and wireless servers.

SEAMLESS GROUP COMMUNICATION CONFERENCE SOLUTIONS

In a geographically-dispersed workforce, conference calls have become more important than ever, and clarity is crucial. As a Polycom channel partner, Telmar now offers the breakthrough voice quality of Polycom's SoundStation IP conference phones.

Reduce background noise. Polycom's dynamic noise reduction technology removes background noise including projectors and A/C systems.

Involve everyone. With industry-leading, 360° microphone pickup, clearly hear anyone up to 20 feet away.

Be heard. Intelligent microphone mixing highlights the active speaker with smart microphones that detect and focus on the primary speaker while ignoring other distracting sounds.

From small to large conference rooms, Telmar has the Polycom SoundStation IP solution to enable easier and more productive conference calls in any environment.

MAXIMIZE MOBILITY POLYCOM WIRELESS SOLUTIONS

Polycom Spectralink and Kirk handsets and servers provide the functionalities of a business-grade desk phone on a mobile device, which interoperates with existing VoIP or call control systems.

Immediate Access. Kirk and Spectralink handsets give your employees immediate access to the information they need - when and where they need it.

Increased Response Time. With Kirk and Spectralink handsets, you can reach anyone at anytime regardless of their location in the building.

Customization. All handsets are compatible so you can select the right handset to fulfill each employee's specific needs and requirements.

ENHANCE PRODUCTIVITY DESKTOP SOLUTIONS

Polycom's desktop phones are easy to manage and help control costs while scaling for the future:

- Continuous innovations and improvements
- Enable service sustainability
- Prevent early obsolescence
- Avoid unnecessary CAPEX in the future
